

# 2018 Eastern Idaho Ag Expo Equipment Loading Schedule for Holt Arena **Sunday January 14<sup>th</sup> & Monday January 15<sup>th</sup>**

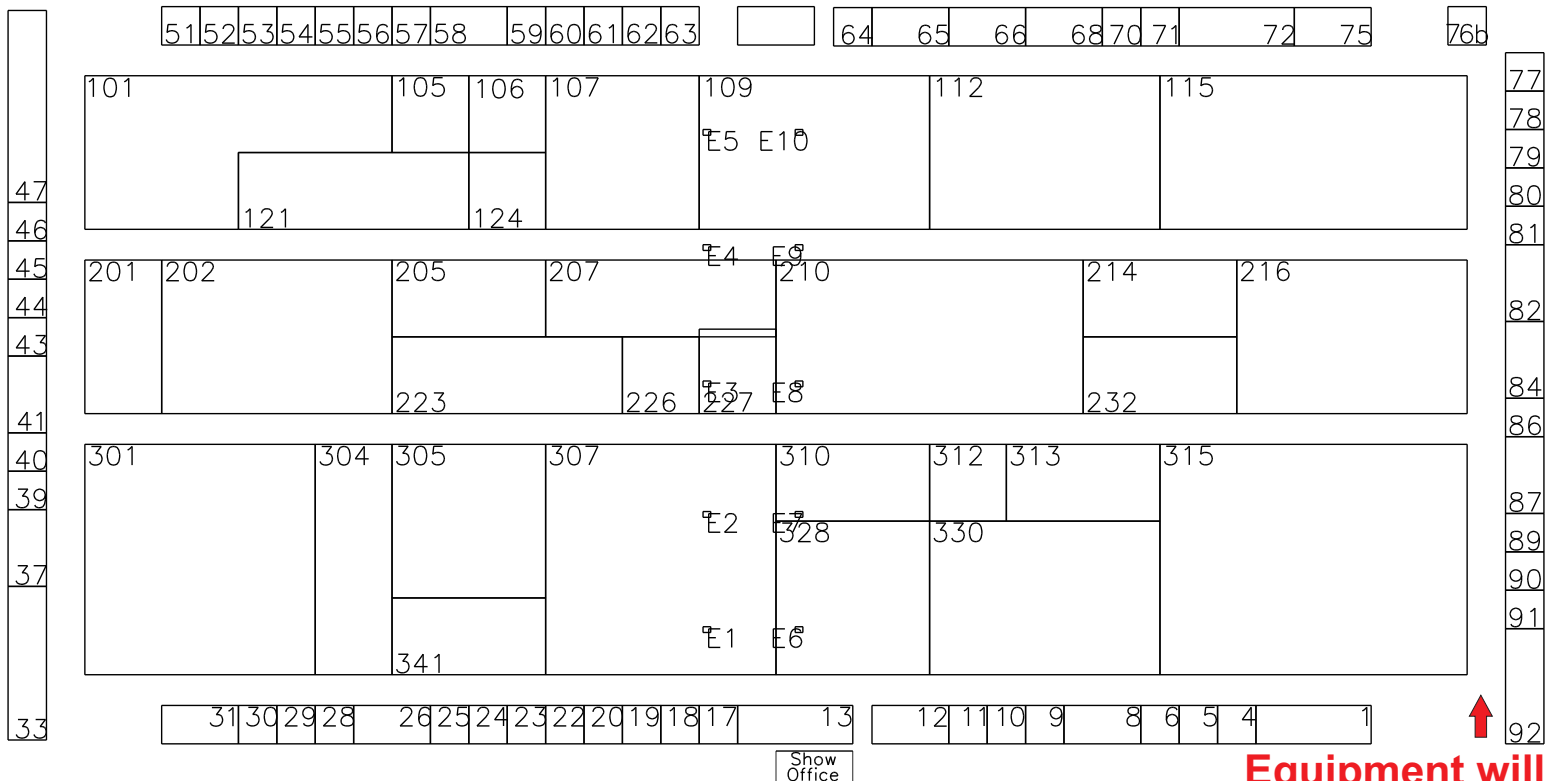

This is the official loading schedule for the 2018 Eastern Idaho Ag Expo at Holt Arena. As always we appreciate your cooperation in making this event a smooth one. Our objective is to stay on schedule, or get ahead of schedule. Obviously the promptness of all companies in relation to their load in time greatly influences this. So please read on, and call us if you have any questions.

Below you see the Holt Arena floor plan. All equipment and displays will enter Holt Arena through the Northwest ramp, or the bottom right hand corner of the floor plan. There will be Holt Arena personnel coordinating the load in both at the top and bottom of the ramp. Please check in with them so they know you are on-site, and can start getting you into the loading rotation. Please be patient with them. They will do the best they can to get you in the building as soon as possible.

Your load in time can be found on the alphabetical list on the next page. **You are required to check in 60 minutes prior to your scheduled time so that we know you are on site, and are ready to load. IMPORTANT:** If you are running late, please notify us at (208) 989-5265. We will not wait for you if you do not communicate with us and your lateness inconveniences your fellow exhibitors.

Equipment can be staged in the far reaches of the northeastern portion of the Holt Arena parking lot the week leading up to load in. **Please do not stage any equipment anywhere near the main entrances of Holt Arena itself or leave any equipment in designated handicap parking.**

Additionally there will be a spray washer available compliments of Watts Steam Store on the Northeast corner, or the lower left hand corner of the floor plan.

**X - Spray washer here; Compliments of Watts Steam Store**

**Loading Schedule for the 2018 Eastern Idaho Ag Expo; Holt Arena, Pocatello**
