Upon arrival at Expo Idaho for set-up, please report to the Spectra Show Office located in the upstairs portion of the Center Expo building to verify your space location and to obtain your credentials along with other exhibitor information. Please do not attempt to locate your display first.

Set Up

Booths may set up between the hours of 9:00 a.m. and 7:00 p.m. Wednesday August 18 & Thursday August 19. All booths must be in place by 7:00 p.m. Thursday. Due to the hectic nature of opening day, there is absolutely no move in Friday morning August 20.

Hours Of Operation

The 2010 Western Idaho Fair gates will be open to the public from 11:00 a.m. to 11:00 p.m. each day of the Fair. The Expo Buildings will close at 11pm Fridays & Saturdays, 10pm Sunday through Thursday. The Carnival does not close until midnight, therefore Outside booths may wish to stay open until that time, though are only required to be open until 11:00 p.m. *All booths must be staffed during these hours.* The closing time for the entire Fair on the final day is 9pm.

After Hours Access

There will be no restocking after closing time. The Expo building will be secured each night of the Fair. The Fair assumes no responsibility for materials left in booths. If you have anything in your display of value that could be carried away, it is suggested that you take it with you each night when you leave Expo Idaho. There will be 24 hour security starting Wednesday, August 18, continuing through Sunday, August 29. Security is provided as a deterrent, and Exhibitor understands the Fair cannot be responsible for any loss or damage.

Morning Access

Exhibitors may enter the Center Expo building through back and front doors between 9:00 a.m. and 11:00 a.m. for re-stocking. There will be a security guard at both the front and back doors. Security will check Vendor ID Badges of all those who enter the building prior to the 11:00 a.m. opening.

Vehicle Access

Exhibitors with appropriate passes displayed for their vehicles will be allowed on the grounds between 9 a.m. and 10 a.m. for deliveries or unloading only. Vehicles must enter through the grandstand gate or the service gate. Each individual inside the vehicle must have an admission pass. All vehicles must be off the grounds by 10 a.m. Your vehicle will be towed if it is not off the grounds by 10 a.m.

Delivery Assistance

Since vehicles will not be allowed on the grounds after 10 a.m., the Fair supplies golf cart shuttle delivery assistance from the Service Gate. Any exhibitor wishing to take advantage of this service should inquire at the Service Gate. Exhibitors must have an employee ready to receive and unload merchandise when delivered. Extremely heavy items cannot be transported by this shuttle. Exhibitors expecting such items must make their own arrangements for delivery during the Vehicle Access period each morning.

Exhibitor Shuttle Service

Shuttle service will be running for exhibitors from the main and west parking lots with one stop for outside exhibitors and another stop behind the Center Expo building for inside exhibitors. The tram will run from 9:00 a.m. to 11:00 a.m. every morning.

Exhibitor Identification

Each individual expecting to gain access to the Fair must have an Admission Ticket and Vendor ID Badge. In order to eliminate confusion among those you expect to have access to the Fair, please familiarize yourself with the Admission Ticket and Vendor ID Badge information on the following page.

The Idaho Sales Tax Act requires every retailer engaged in business in Idaho to obtain a sellers permit from the State Tax Commission. Retailers are required to collect the six percent (6%) Idaho sales tax on each sale that is not exempt from tax. This tax immediately becomes property of the State held in trust by the retailer. Each exhibitor should display their sellers permit so that State Tax Commission representatives can see it, without having to interrupt the exhibitor. Except for unusual circumstances, there is no charge for an Idaho sellers permit. Contact the Idaho State Tax Commission office to obtain a permit at (208) 334-7660 or toll free at (800) 972-7660.

The Fair is required to have either a letter from you on file, or a workers' compensation certificate. Questions regarding workers' compensation requirements should be directed to the Idaho Industrial Commission at (208) 334-2370.

If you are unable to provide proof of your own insurance, or you wish to purchase a rider on our policy, you may do so for the cost of \$110.00. This provides the necessary bodily injury, product and general liability you are required per contract to have. This does NOT include workers' compensation coverage. If you do not provide proof of your own insurance by the July 15 deadline, Fair Insurance, at the \$110.00 cost, will be ordered for you and will reflect the same on your invoice.
