## **Tax Forms**

The Idaho Sales Tax Act requires every retailer engaged in business in Idaho to obtain a sellers permit from the State Tax Commission. Retailers are required to collect the six percent (6%) Idaho sales tax on each sale that is not exempt from tax. This tax immediately becomes property of the State held in trust by the retailer. Each exhibitor should display their sellers permit so that State Tax Commission representatives can see it, without having to interrupt the exhibitor. Except for unusual circumstances, there is no charge for an Idaho sellers permit. Contact the Idaho State Tax Commission office to obtain a permit at (208) 334-7660 or toll free at (800) 972-7660.

As is dictated by Idaho Tax Code, Title 63-3620C, each exhibitor must complete form ST-124, stating whether or not they have taxable items, and if they do, what their sellers permit number is. There is a new process for complying with Title 63-3620C in regard to sales tax collection and reporting via participation in an event. Proof of insurance, or payment on a rider (section F above), must be received with initial application. Any contracted exhibitor who has not fulfilled all insurance requirements by July 15 will be jeopardizing their standing in the event and could result in being withdrawn from participating in the Fair.

Each exhibitor is required to provide workers' compensation for any employees. Anyone claiming exemption from providing such must provide a letter to the Fair Office stating the conditions of that exemption (i.e. solely owned and operated, independent contractors, family members living within same household). The Fair is required to have either a letter from you on file, or a workers' compensation certificate. Questions regarding workers' compensation requirements should be directed to the Idaho Industrial Commission at (208) 334-6000.

If you are unable to provide proof of your own insurance, or you wish to purchase a rider on our policy, you may do so for the cost of \$110.00. This provides the necessary bodily injury, product and general liability you are required per contract to have. This does NOT include workers' compensation coverage

**If you do not provide proper and complete proof of your own insurance by the July 15 deadline Fair Insurance will be ordered for you and will reflect the same on your invoice at the \$110.00 cost.**
