## Reserving Your Space

In order to reserve space in the 2018 Western Idaho Fair you must submit an application/contract, sent with your booth fee in full and insurance certificate. Submitting application/contracts without the booth fee paid in full and insurance certificate may delay processing. Please refer to the insurance requirements sheet for details. If you do not have an insurance requirements sheet, you can request one from your Spectra representative.

## 2018 Applications

Submitting the space application/contract will also serve as your contract. So be sure to submit your booth fee paid in full when sending in your application/contract. Application approval is based upon several selection criteria: product balance; uniqueness of product; entry date.

All vendors who displayed in the 2017 Western Idaho Fair have until April 15th, 2018 to reserve a location for the 2018 Fair. After April 15th all unreserved space will be made available for waiting vendor requests.

## Confirmation Packets

Confirmation of your space reservation: Once your application/contract has been accepted you will receive a Confirmation Packet that will have several pieces of date sensitive information that will require your attention. Any requests for services past the deadlines given will result in late charges.
